Starpower von Stakkato - das neue Ass der Zucht in den Niederlanden

Harderwijk/ NL. Acht Spring- und drei gekörte Dressurhengste ergänzen die starke niederländische Pferdezucht des Reitsports. Zu den kommenden Vererbern zählen dabei der Stakkato-Sohn Starpower und der Chacco Blue-Nachkomme Chacco Boy, Stakkato und Chacco Blue waren in Deutschland einer breiten Öffentlichkeit durch ihren Leistungen im Parcours bekannt.

This morning, October 25th, the stallions participating in the KWPN Fall Performance Test at De Driehoekhoeve in Stegeren (The Netherlands) underwent their final evaluation. The event drew a large audience. Performing in groups of two or three, the riding horse stallions were presented in the indoor arena by their respective training riders. After the final under-saddle evaluation, the stallions were returned to the ring in-hand for the announcement of the selection committees' decisions. The occasion was also an opportunity to acknowledge the breeders of the stallions once more.
